Wherever possible we try to buy our food from producer's who care about the flavour and ethics of what they are making. For example, our meat is sourced from BC and Alberta and is hormone and antibiotic free. We use a miso made here in BC by Amano Foods which was started by Teiichi Amano who immigrated to Vancouver in 1919. We buy fresh produce from Michael at Earth Temple Gardens in Argenta and Josh and Thalia at Kootenay Corner Gardens in Krestova .Our tofu is made five blocks away by Silver King Soya Foods with organic soybeans grown here in Canada.
